With Best Compliments From
Pradnya, Pankil, Vamika And Patti Family

*My youngest one, finally agreed to get married.
This institute of Marriage is undoubtedly one of
the most wholesome and sacred events in our lives.
It represents the union of two beautiful souls
who promise to love each other for a lifetime.*

*This Wedding isn't complete without the
participation of friends and family.
Do we really want them to miss the
fun and festivities ?*

*Most importantly, can we really afford to
let go of the blessings of our loved ones ?
The answer is an obvious no because
we need the love and support of our
loved ones in all that we do*

*So I invite you to grace the holy union
of Shubhangi and Mohit.*
